

**Southern Maine Sportszone  
Presents the Auxiliary  
Travel Basketball League**

**Grades 5 – 8 Boys and Girls  
At the Sportszone in Saco**

The Southern Maine Auxiliary Travel Basketball League is design to give teams more opportunity to play games within the constraints of their current schedules in other travel leagues, like Freeport, Boys Club, etc... Current leagues often play only 10 games over the course of almost 3 months. This simply is not enough game experience for players to develop the necessary skills to succeed and grow. Also, rule limitations place by Directors of the League tend to hinder development of team and individual play. The Auxiliary League will have very few limitations and for the most part will be “real” basketball. (5<sup>th</sup> grade level, coaches will decide on rule limitations) Teams will submit current schedules and choose days of play to ensure no conflicts with their Current Schedules. The League will conclude with an All-Star Game with possible Radio and Television Coverage.
